Members of the SOTF Complaint Committee,

The Planning Department received the aforementioned Complaint and respectfully submits the following response(s).

**CA Gov. Code Section 54954.3 states:**

*“(a) Every agenda for regular meetings shall provide an opportunity for members of the public to directly address the legislative body on any item of interest to the public, before or during the legislative body’s consideration of the item, that is within the subject matter jurisdiction of the legislative body, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by subdivision (b) of Section 54954.2. However, the agenda need not provide an opportunity for members of the public to address the legislative body on any item that has already been considered by a committee, composed exclusively of members of the legislative body, at a public meeting wherein all interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee’s consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the legislative body. Every notice for a special meeting shall provide an opportunity for members of the public to directly address the legislative body concerning any item that has been described in the notice for the meeting before or during consideration of that item.*

*(b) The legislative body of a local agency may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker.*

*(c) The legislative body of a local agency shall not prohibit public criticism of the policies, procedures, programs, or services of the agency, or of the acts or omissions of the legislative body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.”*

**SF Administrative Code Section 67.15 states:**

*“(a) Every agenda for regular meetings shall provide an opportunity for members of the public to directly address a policy body on items of interest to the public that are within policy body’s subject matter jurisdiction, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by Section [67.7\(e\)](#) of this article. However, in the case of a meeting of the*

*Board of Supervisors, the agenda need not provide an opportunity for members of the public to address the Board on any item that has already been considered by a committee, composed exclusively of members of the Board, at a public meeting wherein all interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the Board.*

*(b) Every agenda for special meetings at which action is proposed to be taken on an item shall provide an opportunity for each member of the public to directly address the body concerning that item prior to action thereupon.*

*(c) A policy body may adopt reasonable regulations to ensure that the intent of subdivisions (a) and (b) are carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker. Each policy body shall adopt a rule providing that each person wishing to speak on an item before the body at a regular or special meeting shall be permitted to be heard once for up to three minutes. Time limits shall be applied uniformly to members of the public wishing to testify.*

*(d) A policy body shall not abridge or prohibit public criticism of the policy, procedures, programs or services of the City, or of any other aspect of its proposals or activities, or of the acts or omissions of the body, on the basis that the performance of one or more public employees is implicated, or on any basis other than reasonable time constraints adopted in regulations pursuant to Subdivision (c) of this Section.*

*(e) To facilitate public input, any agenda changes or continuances shall be announced by the presiding officer of a policy body at the beginning of a meeting, or as soon thereafter as the change or continuance becomes known to such presiding officer."*

The San Francisco Planning Commission meets most Thursdays in City Hall at 1 Dr. Carlton B. Goodlett Place in Room 400. Meeting Notice and Agendas are posted on our webpage and at the hearing room in adherence with the law. Members of the public are provided every opportunity to comment on matters listed on the agenda. Therefore, we request that this complaint be mediated without hearing.

Neither statute require items listed on the Planning Commission's Agenda be itemized in such a fashion that provide members of the public a specific time when a given item may or may not be considered by the Commission, and/or members of the public may submit their oral public comment. The Planning Commission considers multiple items and items are continued and/or called out of order by the Chair for a variety of reasons on a regular basis. Providing accurate times would be impossible and could potentially cause significant delay of weekly proceedings and project authorization. We are unaware of any policy body that provides specific times for every item on its agenda.

Occasionally, the Office of Commission Affairs will identify an item with a specific time for the benefit of the public. The sole purpose of a time specific item is to avoid extended wait periods, generally, for a single item indicating that the item could not be considered before the time stated. For example, the Commission's meetings generally begin at noon, we may indicate that a complicated and/or

controversial item may not begin before 5:00 pm. However, this method still does not provide interested parties the actual time the matter shall be considered. It could be 5:01 or 6:30.

We understand the public's frustration with extended wait times, however, the number of public commenters and length of Commission deliberation on an item are impossible to predict.

The complainant suggests that the Commission start earlier in the day, that items taking longer than their allotted times be continued to the following hearing and items taking less than their allotted times could result in a Commission recess. Committing to such practice would result in further frustration and more confusion for the public. The Commission already meets at noon and hearings often continue into the evening hours. If the Commission were to continue items taking longer than their allotted time would require those public commenters who had been waiting and not given the opportunity to speak to return and wait again another day. Projects would be delayed further, impacting future Commission agendas and projects. If items took less than their allotted time, recesses throughout the meeting would cause unnecessary delay in the day's proceedings and cause significant gaps between items that appear on an agenda for a specific time.

To reduce wait times, we always suggest that members of the public follow the proceedings live on SFGovTV via television or stream it live on their computers to provide them with a better indication of when the item they interested in speaking to may be called for consideration. However, we always remind members that items are called out of order and/or continued at the last minute, which is why it is impossible to predict when an item is called during the meeting.

Finally, members of the public are always encouraged to submit their concerns in writing. By doing so, the Department and Commissioners have an opportunity to digest their concerns prior to the meeting and their written comments are made a part of the official record.

Attached are the Planning Commission Rules & Regulations, which specify when and how members of the public are permitted to submit their comments. We respectfully contend that this complaint is without merit or substance and request this matter be mediated without hearing.

## ARTICLE IV – MEETINGS

Section 1. Regular Meetings. Regular Meetings of the Commission shall be open and public and shall be held each Thursday of each month except in any month where there are five (5) Thursdays. Where there are five (5) Thursdays in a month, the fifth Thursday of the month shall be cancelled, unless otherwise adopted as part of the Hearing Schedule. All Regular Meetings of the San Francisco Planning Commission shall not start before 12:00 noon, unless otherwise noticed on the printed calendar at least 72 hours in advance of a scheduled hearing. The San Francisco Planning Commission does hereby designate Room 400 of City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, as its regular meeting location unless otherwise noticed on the calendar at least 72 hours in advance of a scheduled hearing, or if the need arises because room capacity for Room 400 is anticipated to be exceeded. Provided that where matters of special concern to certain areas or districts of the city are to be considered, a Meeting place may be designated in the City and County within such areas or districts. The Commission Secretary will present to the Commission on or before the first Regular Meeting day of the year (or subsequent date as stipulated by the Commission) a list for consideration and indication of adoption by voice vote, the Commission's Hearing Schedule for the calendar year, including possible cancellation dates of Regular Meetings to accommodate various holidays throughout the year.

Section 2. Special Meetings. Special Meetings of the Commission shall be open and public and shall be held at such times as the Commission may determine. Special meetings may be called by the President for any time, and must be called by the President upon the written request of three members of the Commission, filed with the Administrative Secretary. The Place of such Meetings shall be as provided above for Regular Meetings.

Section 3. Notice. Notice<sup>1</sup> of the time and place of every Regular Meeting of the Commission shall be given to members of the Commission at least 72 hours before the time of such Meeting, and shall be given by posting and otherwise, as required by San Francisco Administrative Code [Section 67.7](#) and California Government Code Section 54954.2. Notice of the time

---

<sup>1</sup> The San Francisco Administrative Code, Chapter 67 "The San Francisco Sunshine Ordinance of 1999," Section 67.7 stipulates that policy bodies shall post an agenda containing a meaningful description of each item of business to be transacted or discussed at the meeting at least 72 hours before a regular meeting and that it shall post a current agenda on its Internet site at least 72 hours before a regular meeting. Therefore, the term "notice" shall refer to both written and electronic formats.

and place of every Special Meeting of the Commission shall be given to members of the Commission at least 72 hours before the time of such Meetings, and shall be given by posting and otherwise, as required by San Francisco Administrative Code Section 67.6(f) and California Government Code Section 54956. The Commission shall not consider nor act upon any matter at any Regular Meeting except upon (1) written notice thereof as required by this Section 3, or (2) a condition exists that requires emergency action as set forth in San Francisco Administrative Code Section 67.7(e) and California Government Code Section 54954.2(b). No matter shall be considered at any Special Meeting unless included in the Notice calling such meeting.

Section 4. Cancellation or Change of Regular Meetings. If the Regular Meeting day falls on a legal holiday, or if a recommendation is made by the Director that a Regular Meeting be cancelled or changed, the Commission or the President may cancel the Regular Meeting or fix another time therefor. Notice of cancellation or of a change in a Regular Meeting time must be given at least seventy-two hours before the scheduled time of such Meeting.

Section 5. Quorum. A quorum for the transaction of official business at any Regular or Special Meeting shall consist of a majority of all members of the Commission, but a smaller number may adjourn from time to time and may compel the attendance of absent members in the manner and subject to the penalties, if any, provided by law.

Section 6. Voting.

a. *Procedural Matters.* Pursuant to Charter [Section 4.104](#), with respect to matters of procedure the Commission may act by the affirmative vote of a majority of the members present, so long as the members present constitute a quorum.

b. Except as provided in "a" above, every Official Act taken by the Commission, including, but not limited to, those based on its jurisdiction derived from the Planning Code, Chapter 31 of the Administrative Code, the Subdivision Code and Discretionary Review Powers of the Commission, may be by "Motion" or "Resolution" adopted by a majority vote of all members of the Commission (four (4) votes). All members present shall vote for or against each question brought to a vote unless a member is excused from voting by a conflict of interest or a motion adopted by a majority of the members present.

A motion that receives less than four votes is a failed motion resulting in disapproval of the action requested to be taken by the Commission unless a substitute motion for a continuance or other action is adopted. (For example: a request for Conditional Use requires four votes to approve; failure to receive the four votes results in denial of the conditional use. A request for Discretionary Review requires four votes to take discretionary review and modify the project; failure to receive four votes results in approval of the proposed project without modification. Planning Code [Section 302\(c\)](#) sets forth the requirements for Commission determinations regarding Planning Code amendments. Planning Code [Section 340\(d\)](#) sets forth the requirements for Commission determinations regarding General Plan amendments.)

A motion of intent occurs when the Commission passes a motion by a majority of all members of the Commission that is contrary to the preliminary recommendation of the Planning Department staff and the Commission does not have findings that support the

intended action. Any Commissioner absent from participation in the motion of intent must be provided all relevant case material and hearing tapes for review prior to a scheduled hearing for consideration of the final motion.

c. Once the Commission holds the public hearing on a permit application, receives all public testimony and declares that it is ready to consider approval or disapproval of the application, the applicant shall not be permitted to withdraw the application, except with the consent of the Commission. In the event that the Commission passes any motion of intent to approve or disapprove a permit application before them, the applicant shall not be permitted to withdraw the application prior to the Commission's completion of their action with passage of a written "Motion" with findings or a resolution.

d. Once the Commission holds a public hearing on a matter before them, enters into deliberation and a motion for action is made and receives a second prior to the end of discussion, a request for "call the question" by any member other than the President or Chair would be addressed as follows: The request for "call the question" is considered a motion to halt discussion and must have a second to proceed. If the motion does not receive a second, the motion dies and discussion resumes on the matter on the floor prior to the motion to "call the question." If the motion receives a second then a vote must be taken immediately and passed by a majority of those present.

Section 7. Jurisdiction. Pursuant to Charter [Section 4.105](#), the Commission has the jurisdiction to approve prior to issuance "[all] permits and licenses dependent on, or affected by, the Planning Code administered by the Planning Department." Acting under this section, the Commission may at its discretion by a majority vote of the Commission (four votes), request staff to bring before it for review any such permit or license that has not yet been issued even if the application has been approved by the Commission or Department staff and forwarded to the Central Permit Bureau. The Commission loses jurisdiction upon either the City's issuance of the permit or license, or a valid appeal has been filed to an appellate body.

Section 8. Parliamentary Procedure. The rules of parliamentary practice, as set forth in Robert's Rules of Order, shall govern all meetings of the Commission except as otherwise provided herein.

Section 9. Order of Business. The order of business at any Regular Meeting may be as follows:

1. Roll Call
2. Consent Calendar
3. Commission Matters
4. Department Matters
5. Public Comment – 15 Minutes
6. Regular Calendar
7. Discretionary Review Calendar
8. Public Comment
9. Adjournment

The President (or Chair) may change the order of business as determined necessary for the Planning Commission to conduct its business effectively.

- Section 10. **Public Comment.** The item at each Regular Meeting shall provide an opportunity for members of the public to address the Commission on items of interest to the public that are within the subject matter jurisdiction of the Commission, but which are not on the posted agenda for that Meeting. When that item is reached, members of the public may address the Commission for up to three (3) minutes. The President may limit the total testimony by all members of the public to fifteen (15) minutes.
- Section 11. **Consent Calendar:** Items may be placed on a Consent Calendar section of the Meeting Agenda. Items on the Consent Calendar may be approved by a single vote for all items. Any Commissioner, any member of the public or the Director may request that the item be taken off the Consent Calendar and placed on the regular agenda for that Commission Hearing or a later hearing.
- Section 12. **Submittals:** Procedure for submission of material related to any matter that comes before the Commission for their consideration is addressed in Appendix A attached to this document.
- Section 13. **Hearing Procedures:** At either a Regular or Special Meeting, a public hearing may be held before the Commission on any matter that is on the posted agenda of such Meeting. The procedure for such public hearings is addressed in Appendix A attached to this document.
- Section 14. **Record.** A record shall be kept of each Regular and Special Meeting by the Commission Secretary or by an Acting Secretary designated by the Commission Secretary.
- Section 15. **Private Transcription.** The President may authorize any person to transcribe the proceedings of a Regular or Special Meeting provided that the President may require that a copy of such transcript be provided for the Commission's permanent records.

#### **ARTICLE V – AMENDMENTS**

- Section 1. These Rules and Regulations may be amended by the Commission at any Regular Meeting by a majority vote following a public hearing, providing that the amendment has been calendared for hearing for at least ten days.
